

RPC RESOLUTION NO. 143

ADOPTING THE PROGRAM RECOMMENDATIONS
OF THE DANE COUNTY WATER QUALITY PLAN
AND ESTABLISHING AN ANNUAL PLAN REVIEW PROCESS

WHEREAS, the Dane County Regional Planning Commission was designated by the Governor in May, 1975 as the agency responsible for preparing a comprehensive area-wide waste treatment management plan for Dane County under the provisions of Section 208 of Public Law 92-500; and

WHEREAS, the Dane County Regional Planning Commission, after extensive study of existing water quality conditions and public discussions of alternative water quality improvement programs, has developed proposed program recommendations; has discussed these recommendations with the public and affected units of government, and held public hearings on the proposed recommendations; and

WHEREAS, Section 208 of Public Law 92-500, as amended, requires the Dane County Regional Planning Commission to annually review the Dane County Water Quality Plan and submit proposed changes, additions or deletions to the Governor and the U.S. Environmental Protection Agency;

NOW THEREFORE BE IT RESOLVED that the Dane County Regional Planning Commission hereby approves and adopts the program recommendations of the Dane County Water Quality Plan, being more specifically enumerated as follows relative to:

Point source control (Recommendations P-1 through P-13);
Urban nonpoint source control (Recommendations U-1 through U-11);
Agricultural nonpoint source control (Recommendations A-1 through A-14);
Construction site erosion control (Recommendation C-1);
Residual waste disposal (Recommendations R-1 through R-4);
Septic tank control (Recommendations S-1 through S-3);
Mining and resource extraction (Recommendation M-1);
Woodland management (Recommendation W-1);
Lake management (Recommendations L-1 through L-9);
Wetland, floodplain and shoreland protection (Recommendations Wf-1 through Wf-5); and
Groundwater protection (Recommendations G-1 and G-2).

BE IT FURTHER RESOLVED that the Dane County Regional Planning Commission incorporates these approved program recommendations as part of the official Master Plan for Dane County and as its recommendations to the County and other units of government therein; and

BE IT FURTHER RESOLVED that the Dane County Regional Planning Commission will review all supporting text materials and technical appendices prior to their official transmittal to the Governor and the U.S. Environmental Protection Agency, and the County and other local units of government;

BE IT FURTHER RESOLVED that the Dane County Regional Planning Commission hereby establishes that the first annual review and public hearing on the Dane County Water Quality Plan and included recommendations will take place in April - May, 1979, and invites the public and governmental units to submit comments or suggested changes by May 21, 1979.
